

## Electronic version (PDF except for the picture)

### Permanent file for the registration website :

- An ID picture in jpeg, ratio 35 \* 45, face between 32 and 36 mm, uncovered from the front, ears uncovered and without dark glasses, plain photo background allowing sufficient contrast so that you are recognizable
- Identity card or passport**
- For French citizens under 25 years of age, certificate of participation or exemption from the Defence and Citizenship Day
- For students already in the French higher education system, proof of their National Student Identification Number (INE) which can be found on your baccalauréat or higher education transcripts or other certificates.
- Diplomas** already obtained since the baccalauréat -equivalent to the high school diploma or the British A-level- in French or English.
- For high-level athletes requesting special arrangements, sports licence

### Annual file for the registration website:

- Certificate of payment of or exemption from the Contribution Vie Etudiante et de Campus (CVEC), except for students on a professionalization contract or exchange students who are not enrolled in a DESECL or Master's programme
- Proof of scholarships or exemptions
- Employment contract for alternant students (half company-half in class) and doctoral students
- Make sure you have a means of payment.** Due to the exceptional situation of COVID 19, we strongly advise you to pay online. Otherwise, you may not have a student card upon arrival.
- For under 18s, parental authorisation

## Paper version

### When you arrive on campus, make sure you take:

- Certificate of liability insurance
- Health insurance (optional but strongly recommended). Subscribing to a contract can only be done after the registration to the social security (foreign students, need a registration certificate first).
- European insurance card for the students concerned
- French bank account details**
- Pre-filled medical form with a picture**
- Copy of the vaccination booklet showing injections against diphtheria, tetanus, polio and whooping cough, or medical certificate. If the BCG has not been done, certificate of an Intra Dermo Reaction (IDR).
- Original medical certificate of no contraindication to the practice of sport, which must contain the mention "for the practice of sport in competition" (keep a photocopy)
- If you wish to join unions, 3 pictures and a chequebook.
